Plastic product supply and export.

## ABOUT KESLER PLASTIC

# Your solution partner in plastic product supply.

We handle supply requests for plastic crates, pallets, waste bins, pipes and insulation boards. We settle the product selection together with you, based on technical dimensions, intended use and the requested quantity.

## HOW WE WORK

01

### Choose your products

Review the products and technical details in the catalogue and identify the options that fit your needs.

02

### Tell us what you need

Send us your product, quantity and delivery details through the quote form.

03

### Let's finalise the quote

We review supply and delivery terms together, based on your request.
